JOB UPDATE

22024 ENERGY PLAZA – We are almost done with the floors we have dimensions for but there is more work coming up

22018-WISCONSIN-We are continuing to work through some large cards, but the Entry Panels are finished

22016-INTERCONTINENTAL/SAN ANTONIO – The customer wants to delay delivery by a couple of weeks and that will give us a chance to get ahead of the work

23007-TOWN HOLLYWOOD – Delivery on these starts November 3 and we just got dimensions

230016-HARRAH'S- These start shipping at the end of November and carry through to March of next year. Good news is that we have some of these cards already wrapped in shipping. Good job!

22011,22012 & 22013 – Great job on completing these two shipments! And great feedback on your work from the customer.

We have other jobs in the works, but we probably won't hear much about them until the end of the year. There will be a lot of work to go around.

Thanks for everybody's help. As always – If you want to work any OT – Let Joel know when you're available.
