HAPPY BIRTHDAY!

LOYALIST TRAINING UPDATE

In recent communication with Loyalist, they have proposed we offer a "Design Thinking and 3D Printing" course instead of the AutoCAD course. Those who expressed interest in the AutoCAD course, please see Sam to let her know if you are interested in the 3D Printing Course or the AutoCAD course. We may still run the AutoCAD course if we have enough interest.

Others who may not have expressed initial interest, but who may be interested in taking this new course, see Sam.

WORK ANNIVERSARIES

Happy Work Anniversary to the following Mirmil Team members:

- Bonnie Begin – 2 years
- Reid Hagerman – 25 years
- Sheri Kehoe – 9 years

Thank you for all that you do!

CHRISTMAS

We are starting to think about our Christmas party! Since bowling was such a hit last year, we are considering doing that again. However, if anyone has any ideas or input for something different, please see Sam.

THANK YOU

Thank you all for your support and patience as we try and navigate this ransomware attack. Slowly but surely, we are getting back on track. We appreciate everyone's help during this time.

Why did the ghost go into the bar?

... for the boos.
