Diana Caceres – Production Associate

## **SAFETY SHARE**

With the warmer months upon us, please remember to stay hydrated! Sqwincher electrolytes are provided in the lunchroom to add to your water. Please notify a Supervisor, Production Manager, HR, or JHSC member if you are feeling unwell.

## **JOB UPDATE FROM CHRIS RUTT**

23003 is in the house with the big cards on the go... We should start to receive subbed out metal items June 25<sup>th</sup> onward

24004 is on the go - we should have two trucks out the door by the time this newsletter goes to print

22011 & 22012 moving along – Pictures of the gondolas are opposite the punch clock

Harrah's is almost done until the fall

Orrick is on the go - this is a quality conscious client. It's about 60% veneer and 40% PLAM.

Coming up is MPT which is the first new FSC job since our successful audit!

We have the last sets of cherry panels to cut & finish – about 100. They will start coming through soon.

Please welcome all our summer students this year!

## **TRAINING**

We are trying to decide our next training adventure! Please let Sam know if you have any suggestions for our next training course with Loyalist College.
